I was extremely pleased with the staff at Dr. Marefat's office. They addressed all my concerns and put me at ease from the first day I met them.

Besides the courteous staff, Dr. Marefat proved to be a thorough and caring surgeon who gave me amazing results. I don't even recognize my breasts anymore, they went from looking completely different from each other as far as shape and size, to looking full and symmetrical.

I have no regrets whatsoever and enjoy my decision everyday!
