Please make any remarks or comments you have about your experience with Metropolitan Plastic Surgery in the space below.

I was a little nervous about which plastic surgeon to choose for my breast augmentation, (in the beginning). I chose Dr. Marefat because he has very high recommendation from a co-worker of mine. I thought his staff were very professional and friendly. I would recommend Dr. Marefat to anyone who is interested in plastic surgery services. I would even recommend him to my own mother. I had a great experience; and I feel a lot better about my body image.

*Sincerely,
Denise D.*
