Name: Rachel C.

Procedure: Breast Augmentation

Date of Surgery: _____

Please make any remarks or comments you have about your experience with Metropolitan Plastic Surgery in the space below.

My experience with Metropolitan Plastic Surgery exceeded my expectations. I was educated beforehand of all and any complications that could happen after surgery (nothing happened, though). Many people have complimented me on the surgery that was performed by this facility. I have and will continue to refer friends, family and strangers to Metropolitan Plastic Surgery.

Thanks again!

Rachel C.
